Annual Fire Safety Statement

Environmental Planning and Assessment Regulation, 2000

Please print information or ☑, as applicable

Type of statement	☐ Annual ☐ Supplementary
Name of owner/agent	I
Address	of

hereby certify that:

(a) each of the essential fire measures listed below has been assessed by a person (chosen by me) who was properly qualified to do so, and was found, when it was assessed, to have been properly implemented and to be capable of performing:

(i) to a standard not less than that required by the most recent fire safety schedule for the building for which the certificate is issued; or

(ii) to a standard no less than that to which the measure was originally designed and installed.

(b) by inspection, a properly qualified person has certified that the condition of the building did not disclose any grounds for prosecution under Division 7 of Part 9 of the Environmental Planning and Assessment Regulation, 2000.

(c) the information contained in this statement is, to the best of my knowledge and belief, true and accurate.

Identification of building Address	No. Street
	Lot(s) Section DP/SP
	Location
Particulars of building	☐ Whole of building ☐ Part only of building (please briefly describe Part)
