

challenge

I/we will make a conscious choice to reduce my/our impact on the environment. I/we understand that making a difference can be as easy as a few changes in my/our daily routine. I/we want to join Blacktown City Council in caring and protecting for our city, our country and our world and work towards a better future.

I/we pledge to join the challenge and

- use less electricity
- shop with care
- use less water
- reduce my waste
- use my car less
- rethink my diet
- be aware of my impact
- get involved

Join up by 30 June 2007 to be in the running for some great prizes!
