

DISCLOSURE STATEMENT OF POLITICAL DONATIONS AND GIFTS

Section 147 of the Environmental Planning and Assessment Act 1979 requires that, in relation to any planning application (including a development application, application to modify a consent, application to make an environmental planning instrument or development control plan, application to approve a concept plan or project) lodged with Council on or after 1 October 2008, a Disclosure Statement (indicated below) be lodged in certain circumstances.

A Disclosure Statement of a *reportable political donation* (see Note 1, below) or *gift* (see Note 2, below) must accompany a planning application or submission (including a submission either objecting to or supporting the proposed development) if the donation or gift is made within 2 years before the application or submission is made. If the donation or gift is made after the lodgement of the application, a Disclosure Statement must be sent to Council within 7 days after the donation or gift is made. The provision also applies to an associate of a submitter.

A Disclosure Statement may be made available for viewing upon a written request to Council in accordance with Section 12 of the Local Government Act 1993.

PRIVACY NOTE

The personal information provided in this statement or any submission may be inspected by a person under various legislation. The legislation provides that a person who has inspected a document may also request, and be provided with, a copy of that document.

Should you wish to make a submission, but want your personal information (e.g. name, address, phone number) to be treated in confidence, you may make a written request that Council not disclose your personal information to the public. The request should state the reasons why your personal information should be treated confidentially.
