Other oils

Only household quantities accepted
20kg or 20L maximum container size.

Dangerous goods and items other than
those listed will not be accepted.

Book at www.problemwaste.com.au

How to use the service

Step 1

Book a pick-up at problemwaste.com.au

Step 2

Receive confirmation

Step 3

Place items out for collection on the collection date

If you cannot wait for a collection date, you can take paint, oils, gas bottles, fire extinguishers, fluoro lights, batteries and smoke detectors to the Penrith and Hawkesbury Community Recycling Centres. Visit cleanout.com.au for addresses and opening hours.

How to recycle other household items:

Visit www.cleanout.com.au for your nearest Chemical CleanOut event to safely dispose of **household chemicals**.

Return unwanted or expired **medicine** to your local chemist for safe disposal.

Recycle **mobile phones** at Australia Post shops or through Mobile Muster drop off bins at your local phone shop.

Drop off **used or empty printer cartridges** at participating Australia Post, Officeworks, JB Hi-Fi and Cartridge World stores.

Take **used sharps** in puncture proof containers to local participating chemists for safe disposal. Visit www.blacktown.nsw.gov.au
