

Application for Approval to Install, Construction or Alter an On-site Sewage Management Facility
Section 68 Local Government Act, 1993

Please complete all sections of this application. Ensure all supporting documents (see reverse) are supplied. Incomplete applications may result in delays in processing.

1. Details of property where system is proposed to be installed:

H/No: _____ Lot No: _____ Sect: _____ DP: _____

Street/Road: _____ Suburb: _____

Allotment Area: _____

2. Property Owner's Details:

Name : _____ Address: _____

Telephone: _____ (w) _____ (h)

_____ (m) _____ (fax)

3. Details of drainer/installation firm:

Name: _____ Licence No: _____

Address: _____

Telephone: _____ Fax: _____ Mobile: _____

4. Details of Sewage Management System:

Brand: _____ Model: _____ Accreditation No: _____

Capacity: Septic Tank: _____ L Collection well: _____ L

Aerated Tank: _____ L treatment Chamber: _____ L

Other (Provide Details): _____

Method of disposal of effluent: _____

Source of water supply (e.g. town, tank): _____

5. Details of wastes to be treated:

No. of bedrooms: _____ No. of people: _____ WC flush capacity: _____

Waste fittings to be connect to the system: _____

other factors relevant to the capacity of the proposed sewage management facility.

Owner's signature: _____ **Date:** _____

Privacy:
The personal information that you have provided in this Form is for council purposes only and will be viewed by Councillors and Council staff only.

Two copies of the details outlined below MUST be submitted at the time of application

Local Government (General) Regulation 2005

Clause 26: Matters to accompany applications for approval to install or construct sewage management facilities.

- (1) An application for approval to install or construct a sewage management facility on any premises must be accompanied by the documents specified in this clause.
- (2) **Plan.** The application must be accompanied by a plan, to scale, showing the location of:
 - (a) the sewage management facility proposed to be installed or constructed on the premises, and
 - (b) any related effluent application areas, and
 - (c) any buildings or facilities existing on, and any environmentally sensitive areas of, any land located within 100 metres of the sewage management facility or effluent application areas, and
 - (d) any related drainage lines or pipework (whether natural or constructed).
- (3) **Specifications.** The application must be accompanied by full specifications of the sewage management facility proposed to be installed or constructed on the premises concerned.
- (4) **Site assessment.** The application must be accompanied by details of the climate, geology, hydrogeology, topography, soil composition and vegetation of any effluent application areas related to the sewage management facility together with an assessment of the site in the light of those details.
- (5) **Statement.** The application must be accompanied by a statement of:
 - (a) the number of persons residing, probable number of persons to reside, on the premises, and
 - (b) such other factors as are relevant to the capacity of the proposed sewage management facility.
- (6) **Operation and maintenance.** The application must be accompanied by details of:
 - (a) the operation and maintenance requirements for the proposed sewage management facility, and
 - (b) the proposed operation, maintenance and servicing arrangements intended to meet those requirements, and
 - (c) the action to be taken in the event of a breakdown in, or other interference with, its operation.

.....

Failure to provide the above details may result in delays in the assessment of your application.
